Madam:

Applicants' appreciate Examiner David Chu contacting their representative, Charu Mehta, on December 17, 2009. During this telephonic interview, Mr. Chu proposed a minor amendment to claim 9 so as to correct an improper claim dependency issue. In short, the dependency of claim 9 was changed from claim 8 to claim 1. Applicants confirm that such an agreement was reached and have no objection to the entry of the corrective amendment via Examiner's Amendment.
